

Our Clients

A-Line

Products: Women's Clothing

 A-line

A-line is a women's clothing brand challenging conventions to create the perfect fit for the 21st century woman. The brand's designs are a reflection of what the A-Line woman stands for – elegance, maturity and confidence. Thorough and passionate about detail, creative director Alexandra Carneiro has synced her sense of taste and her 20 years' experience in the textile industry to reinvent the essentials in a woman's wardrobe.

Bobbies

Products: Footwear & leather goods

Since its founding in 2010, Bobbies has been creating its designs in Paris and manufacturing its creations in traditional workshops located in Portugal, using sustainable, ethically sourced, 100% European materials. From assembly to seams, embroidery, and stitching, the entire production process is carried out by hand by highly skilled craftsmen, using unique artisanal knowledge and techniques that have been passed down from generation to generation.

Campo Marzio

Products: Accessories & Stationery

Born in the 1930's as a workshop specializing in the production of fountain pens and writing instruments, Campo Marzio has over time expanded its production line to office, leather and travel accessories. Today the company is renowned for having turned common stationery items into fashion accessories characterized by vibrant colors and modern design. The brand currently designs, manufactures and distributes its products directly, on an exclusive basis.

Fifty-Eight Products

Products: Porcelain Tableware / Giftware

Born in Germany and loved around the world, FiftyEight Products' TASSEN series of 'emotional porcelain' blends fun-loving attitude with premium German-made quality. Since 2007, the quirky bowls, coffee mugs, teapots and more products have been bringing a healthy dose of joy to the table. The brand's origins in computer animation loom large across the full collection, as each character is based on 3D-animated films featuring 'talking dishware'.

GREY Berlin

Products: Porcelain Tableware / Giftware

GREY is a young Berlin fashion label that creates women's garments using Vitadylan™ - a unique fabric made in Germany with vitamin-and-mineral-rich Icelandic algae and fibres. The result is a range of stylish everyday basics that are extremely soft and care for the skin when worn. GREY's products are dermatologically tested, 100% free from pollutants, and manufactured with 97% less water than traditional cotton products.
